

Eleva Capital Selects SS&C to Support and Grow its Fixed Income Operations

March 3, 2021

European investment manager extends the use of Eze Investment Suite to bond funds

WINDSOR, Conn., March 3, 2021 /PRNewswire/ -- [SS&C Technologies Holdings, Inc.](#) (Nasdaq: SSNC) today announced that Eleva Capital, a Paris and London-based independent investment manager, has chosen SS&C's Eze Investment Suite to support its growing fixed income business. The manager has added its newly launched funds, ELEVA Global Bonds Opportunities (global absolute return) and ELEVA Euro Bonds Strategies (Euro-denominated total return), to the platform.

Eleva Capital will leverage [Eze Investment Suite](#) to manage investment processes, including order management, modelling and simulations, cash projections, trading, compliance checks, operations and accounting. Eleva Capital trades bonds, CDS/X, bond futures, options, repos and interest rate swaps. The manager also uses Eze Investment Suite for its equities operations and will consolidate its historical book of records and real-time reporting across asset classes on the Eze platform.

"The flexibility of Eze Investment Suite stood out from the competition," said Alexandre Menendez, Head of Fixed Income and Portfolio Manager at Eleva Capital. "The system allows us to create the unique configurable workflows we needed for our portfolio managers. We received top-of-the-line support from the team and were able to create operational efficiencies across multi-currency fixed income asset classes."

"We are pleased to support Eleva's expansion into fixed income," said Michael Hutner, General Manager of SS&C Eze. "Our goal is to ensure that our clients can focus on finding alpha and meeting their fund mandates while our technology takes care of the rest. We look forward to working with Eleva as their business grows."
