

Zephyr Management Chooses SS&C's Front-to-Back Solution to Power Bermuda Fund Launch

January 11, 2021

Emerging markets fund manager selects SS&C services for new launch

WINDSOR, Conn., Jan. 11, 2021 /PRNewswire/ -- [SS&C Technologies Holdings, Inc.](#) (NASDAQ: SSNC) today announced that Zephyr Management (Zephyr) has selected SS&C to power its upcoming Bermuda fund launch.

The global asset manager will manage its modeling, trading and order management with SS&C Eze Eclipse, seamlessly integrating its middle- and back-office operations with SS&C's fund administration services. Additionally, SS&C will automate Zephyr's investor experience, including digital investor onboarding via SS&C e-Investor. SS&C CORE-Sightline will enable regulatory reporting and data management.

"We are truly impressed by the breadth and depth of capabilities SS&C offers," said Timothy Horsburgh, Director of Research and Portfolio Manager. "As we embarked on our expansion, we were looking for a technology partner that would be able to get our funds up and running quickly and seamlessly SS&C delivered."

Combining award-winning front-to-back investment management technology backed by the world's largest fund administration business, the joint solution provides the most accurate and transparent way to maximize operational efficiencies and growth. Today, SS&C has more than 80 funds leveraging the deep front-to-back integration with Eze technology and SS&C's fund administration services.

"We are pleased to support Zephyr Management in their new venture," said Bill Stone, Chairman and CEO of SS&C Technologies. "We provide everything our clients need to seamlessly launch, run and grow their funds. The strength, variety and flexibility of our technology, supported by the expertise of our staff, ensures SS&C will provide a tailored out-of-the-box solution."
