Explanation of Responses:

- The price reported is the weighted average price of the shares purchased. The shares were purchased in multiple transactions at prices ranging from \$75.53 to \$75.55, inclusive. The reporting person undertakes, upon request by the issuer, the Staff of the Securities and Exchange Commission, or a security holder of the issuer, to provide full information regarding the number of shares purchased at each separate price.
- The total number of securities beneficially owned is being updated to reflect 3,576 shares previously acquired by the reporting person upon the settlement of restricted stock units on May 29, 2024, which was previously reported by the reporting person on a Form 4 at the time of settlement, but which shares were inadvertently not included on the reporting person's most recently filed Form 4 due to an administrative error.
